ACOM Healthcare Business Division Consolidates Chiropractic Software, Billing Activities in ACOM's Atlanta Regional Office

Atlanta, Georgia, December 18, 2008 – In a combined effort to streamline customer service and attain significant economies of scale, the ACOM Healthcare Business Division has moved its RAPID software operations and call center and its ACOM [Medical Billing Service](#) from Jacksonville, Florida to the Atlanta regional offices of its parent company, ACOM Solutions, Inc., it was announced today by Senior Vice President and General Manager Mark Firmin. The contact phone number remains 866-286-5315, he said.

Tracing the evolution of the division since its inception as a product development company in a small office in St. Petersburg, Florida four years ago, Firmin noted that the Division now offers comprehensive solutions for chiropractic and pain management clinics, including on-site [practice management consulting](#), software systems for clinical documentation and business management, and medical billing.

"We continue to extend our portfolio of service offerings -- Consulting Services and ACOM Medical Billing -- as well as to enhance the various features and modules of our RAPID Complete [Chiropractic Software solution](#)," he said "We are unique in offering a true end-to-end system for chiropractic and pain management clinics. With a suite of solutions that comprises several related functions and disciplines, it makes sense to consolidate, providing a single point of access to our clients and achieving the synergies of shared mission, facilities and resources."

The Division offerings now centralized and coordinated in the Atlanta office includes:

- Comprehensive, focused practice consulting
- Support from a staff of *Certified Professional Coders*
- Enhanced online services
- Comprehensive online customer care center
- Professional medical billing service
- 12-hour tech support availability
- Clinicians on staff to assist with coding, documentation and billing needs

"With all of our Healthcare Division operations located at a single site, we can not only address client concerns with greater immediacy but also reflect them in providing ever better product services and helping build an even

more productive future for our company and our customers," Firmin said.

About ACOM Healthcare Business Division

The ACOM Healthcare Business Division serves chiropractic and the broader healthcare community with products and services that enhance efficiency, cut costs, increase revenues and propel practice success. ACOM's RAPID software suite simplifies and speeds clinical notes and reporting while supporting compliance, collections and front office operations. The ACOM Consulting group helps professionals build better practices by educating doctors in precise coding and devising procedures and programs for optimizing per-patient income. The ACOM Medical Billing Service allows doctors to offload billing and collection activities to a skilled third party team of coders and billing managers that support compliance, accelerate collections and reduce the likelihood of payment denials.
