

# Have you received your new Medicare card?

## *We need your new Medicare card*

1. Doctors and other health care providers need your new Medicare card, please give it to your providers the first visit after receiving your new card.
2. If you're in a Medicare Advantage Plan (like an HMO or PPO), your Medicare Advantage Plan ID card is your main card for Medicare—you should still keep and use it whenever you need care.
3. Once you get your new Medicare card, destroy your old Medicare card and start using your new card right away.
