

**PROFESSIONAL BILLING EXPERT VS IN-HOUSE BILLER**

<b>win</b>	<b>Speed of Payments</b> Billing experts maximize insurance reimbursements and ensure immediate billing – as fast as within 16 days.	<b>lose</b>
<b>win</b>	<b>Coding Accuracy</b> A team of U.S.-based experts monitor constantly changing regulations in the chiropractic industry nationwide and make sure every coding detail is correct.	<b>lose</b>
<b>win</b>	<b>Seamless Operation</b> When in-house billers get sick, quit, retire or are repurposed, it can wreak havoc on operations. Outside billing services provide an uninterrupted and secure billing process.	<b>lose</b>
<b>win</b>	<b>Audit Exposure</b> Improper codes and documentation are red flags for auditors. Professional billing experts increase code accuracy, ensure proper documentation, and reduce audit exposure.	<b>lose</b>
<b>win</b>	<b>Reimbursements</b> Billing experts have specialized training and a deep understanding of how the system works. As a result, they increase reimbursements by an average of 11.6%.	<b>lose</b>
<b>win</b>	<b>Billing Headaches</b> For single billers, staying abreast of commercial and government rule changes is impossible and causes stress and anxiety. Outside billing experts have the resources to track all those industry changes and trends that have a direct effect on billing.	<b>lose</b>
<b>win</b>	<b>Cash Flow</b> Outside billing services include regular follow-ups on unpaid claims, which improves billing operations efficiency and cash flow consistency.	<b>lose</b>
<b>win</b>	<b>Patient Retention</b> Billing services often include intuitive and easy-to-use software that helps chiropractic offices exceed patient needs and expectations, while also increasing retention and new patient referrals.	<b>lose</b>
<b>win</b>	<b>Waiting Periods</b> Professional billing services reduce waiting periods for insurance payments, claim follow-ups and patient billing, which means an increase in monthly income.	<b>lose</b>
<b>win</b>	<b>Claim Payments</b> Partnering with a billing service that specializes in the chiropractic industry can lead to claims being paid in half the time and with minimal denials.	<b>lose</b>
<b>win</b>	<b>Billing Errors</b> Billing errors negatively affect insurance billing and collections, which translates to millions of wasted dollars. Billing services reduce errors, maximize collections and increase cash flow.	<b>lose</b>
